

We just wanted to say THANK YOU SO SO SO SO SO SO SO MUCH for making both of us and all our friends and family feel so comfortable with all of the photos on our wedding day. Nearly all of our guests commented on how lovely you were and how at ease you made them all feel and that they thought you were just fantastic - both Jason and I wholeheartedly agree! We love the photos they are fantastic and do a great job of telling the story of our day.

We would love to say a massive thank you for your amazing photos that you took on our special day and for everything that you did for us in the run up to our wedding, the day itself and your after service. You were always available to talk to and email and most importantly you never made us feel anything was too much trouble. On the day you were so professional, calm, and friendly making both ourselves and guests feel totally at ease and as a result have captured so many treasured memories. The pictures that you took are absolutely fantastic and far better than we could ever have dreamed of. Your creativity with some of the shots you have produced is incredible. The album that you have put together is amazing and the quality is exquisite. We have already had so many comments from family and friends saying how impressed they are with it. Thank you once again for all your hard work we couldn't have asked for a better service than what you gave us and we cannot recommend you highly enough!!!!

Dear Becki We wanted to send a proper note (not an electronic one!) to say thank you for our amazing wedding photos! WE had a fantastic day and have got some brilliant photos to help us remember it. You were so professional and yet relaxed and friendly at the same time – lots of people mentioned how lovely you were and we agree! You were so helpful in the run up to the wedding and the photo we chose from when we met at the venue has been signed by the wedding party and has pride of place in our living room! Thank you so much for all of your help and hard work. With love
